

AMTEX

Quality Policy

“Through a strategy of continuous improvement and teamwork, Amtex is dedicated to establishing the highest industry standards for quality, value, service and technology.”

The Foundation for achieving our Commitment is Based Upon:

- Recognizing and understanding the requirements of our internal and external customers
- Developing and implementing processes for Design, Engineering, Manufacturing, Administration and Quality that support the elimination of waste and the prevention of problems
- Effectively utilizing the creative talents of our employees and suppliers
